Genhack 3- Generative Modelling Challenge

COMPLETION CERTIFICATE

The Chair Stress Test, RISK Management and Financial Steering, created by École polytechnique, Fondation de l'École polytechnique and BNP PARIBAS, has conferred to

Matthieu DELSART

the Genhack 3 completion certificate upon the delivery of satisfactory numerical models evaluated by the jury.

He and his team ranked 1st to this competition.

The Generative Modelling Challenge 2024 is a 1month data challenge on generative models to study the evolution of maize yield spatially and across the years in the context of climate change, based on temperature and rainfall.
